January 25, 2016

Miramichi, New Brunswick - SLAM Exploration Ltd. (TSXV: SXL) (the “Company”) announces a private placement of up to 2,000,000 non-flow-through units (the “Units”) at a price of \$0.05 per Unit and up to 10,000,000 flow-through units (the “FT Units”) at a price of \$0.05 per FT Unit for gross proceeds of up to \$600,000 (the “Private Placement”). Each Unit will be comprised of one common share in the capital of the Company and one-half of one common share purchase warrant. Each FT Unit will be comprised of one common share in the capital of the Company issued on a “flow-through” basis and one-half of one common share purchase warrant issued on a non-flow-through basis (each whole common share purchase warrant, a “Warrant”). Each Warrant will entitle the holder thereof to acquire one non-flow-through common share at a price of \$0.05 for a period of 12 months and at a price of \$0.10 for an additional 12 months thereafter, expiring 24 months after the date of issuance. The Units and FT Units are subject to a four-month and one day hold period from the date of issuance.

The Private Placement is offered to qualifying investors and fund managers on a non-brokered basis. Agents are welcome to participate. The Company may pay finder’s fees in accordance with the rules and policies of the TSX Venture Exchange (“TSXV”). The Company anticipates there may be Insider participation for which a finder’s fee will not be paid. The expected closing date is on or about February 11, 2016. The Private Placement remains subject to the approval of the TSXV. For additional information about this financing call Mike Taylor at 506-623-8960.

Proceeds received from the Units will be used for general corporate purposes. Proceeds received from the FT Units will be used to fund exploration on the Company's gold projects in New Brunswick. The main focus is the Menneval gold project where SLAM has been granted a permit to extract and process a 2,000 tonne bulk sample from the high grade Maisie gold vein.

About SLAM Exploration Ltd.

SLAM is a project-generating resource company with a portfolio of gold and base metal projects in eastern Canada. The Company has been granted a permit to bulk sample for gold at Menneval. The Menneval gold project resulted from discovery of the Maisie gold deposit by SLAM’s advance scouting team in 2012. Other gold projects include the Reserve Creek and Miminiska gold projects in Ontario. SLAM also owns a base metal portfolio that includes the Superjack and Nash Creek zinc-lead-silver deposits. Additional information about SLAM and its projects is available at www.slamexploration.com.
